

Is CuteFTP 8 compatible with older versions of Windows?

THE INFORMATION IN THIS ARTICLE APPLIES TO:

- CuteFTP® Home version 8
- CuteFTP Pro® version 8

QUESTION

Is CuteFTP 8 compatible with Windows 95, Windows 98, or Windows NT 4?

ANSWER

No, CuteFTP 8 is not recommended or supported for use on Windows 95, Windows 98, or Windows NT 4. Users of those older operating systems can use CuteFTP 7 which is available from the [Replacement Software Downloads page](#).
