

Improving CuteFTP Performance When Transferring Large Numbers of Files at Once

THE INFORMATION IN THIS ARTICLE APPLIES TO:

- CuteFTP, all versions

DISCUSSION

You can make changes to various settings in CuteFTP for optimum performance when transferring a large number of files at the same time. Making a few adjustments to the settings in CuteFTP's Global Options can prevent the initial connection from being used for transfers and/or improve the responsive of CuteFTP. Refer to http://help.globalscape.com/help/cuteftp9/improving_cuteftp_performance.htm for detailed instructions.
