## Is the Web Transfer Client supported in Google Chrome and Mozilla Firefox?

## THE INFORMATION IN THIS ARTICLE APPLIES TO:

- EFT Server, all versions
- Web Transfer Client

## QUESTION

Is the Web Transfer Client supported in Google Chrome and Mozilla Firefox?

## ANSWER

Yes, you can use the Web Transfer Client in any modern browser.

Refer to Knowledgebase article #11367, <u>Which browser versions are supported with EFT</u> for more information about supported browsers.
